Bio

Born in Japan, made in Arizona, and currently learning in Vancouver. I aim to craft thoughtful experiences by developing strategies based on insights of real people, and turning them into delightful interactions that improve daily lives. With my contribution to the design community I will show what is possible before it is built, in order to spark conversations and influence how digital natives enjoy the digital world.

Skills

Design Thinking	Sketch
User Experience	Flinto
User Interface	Invision
Interaction Design	Adobe Suites
Visual Design	HTML / CSS

Awards

2017 | Vancouver UX Awards Finalist
